## *Hot Air Balloon Festival*

Dear citizens of Musica

Our excitement is building quickly as we count down the days to our annual Hot Air Balloon Festival. This year it's our 25th anniversary so we are making it bigger than and different from the previous years. We hope that you are excited too because we want to throw a big party this year.

By now we have received the designs of the balloons from all the different countries. They have been sent to the production units. The participating countries this year are: Joya, Dordovan, Striceum, Metoopia, Farmazonia, Acia, Saint-Viro, Vintation and Yaroslavia.

The jury consists of Taylor Sheeran, Shawn Mars, Justin Minaj, Sia Levine, Dua Perry and Enrique Derulo.

## *What will be different this year?*

The hot air balloons will not rise up from the floats on the sea like previous years, but they will all rise from different places all around the country: high sierra, desert, jungle, forest wilderness, plains and islands. Each of the 9 balloons will have a camera that broadcasts the live feed so everyone can watch the livestream at home.

We provide 200 hot air balloons for our citizens. After the balloon show you can enjoy the festival and see the artists perform from the balloons. You will get an email with a link that will enable you to subscribe for a place in the balloons. Be quick because the places are limited.
